Re: Public Records Act Request, dated November 7, 2019

Dear Mr. Vogen

We are in receipt of your Public Records Act Request dated November 7, 2019, requesting documents regarding the following:

1. Daily boarding's Jan.1, 2019-Aug 31, 2019 (totals for each day)
2. Boarding's by day, station and train and time (if available) Jan 1, 2019 – Aug 31, 2019

As a reminder, the following records would be exempt from disclosure:

1. Preliminary drafts pursuant to Government Code Section 6254(a).
2. Information and/or data relating to a railroad's risk analysis and/or sensitive security information. See Government Code Sections §§ 6255, 6254(k), and 6254.23; Evidence Code § 1040; 49 U.S.C. 20118; and 49 CFR Parts 15 and 1520.
3. Information exempt from disclosure pursuant to the deliberative process privilege.

SMART does not maintain records in the format you requested. California Public Records Act generally provides for public access to records that already exist and does not require a public agency to answer questions or create a record, list, or compilation in response to an inquiry. Notwithstanding the above, some of the information you are seeking may be available at the following link:
